

## Foulden Village Hall Report

### EVENTS

The Bingo has had various support over the last few sessions. Overall the Villagers seem to enjoy this event and although this was poorly attended on the last occasion, we are hopeful it will pick up again. It appears that higher attendances were school holiday times. We will try and organize the next one so it falls into that time.

Disco night was not a success unfortunately, with very few in attendance. We will not be putting this type of event on in the future. Thank you to Billy for all his efforts and his marvelous Disco Sound Desk.

Carpet Bowls, New to Foulden Village Hall. We wish it every success and thank Neil and Carol West for organizing this. The first one will be on the 22<sup>nd</sup> May at 7.30pm and will be free as a taster.

In anticipation of receiving match funding from Breckland in early June. Please could I ask the Council to look at the three quotes for the replacement and installation of the heaters and make a decision as to who we will be using. We need to be in a position to move on this as soon as funding is approved.

Big Lottery Funding. I am very happy to report that this has now been approved and that £10,000 will be put into the Parish Council Account in the next few days. The Funding must be used for the following as stated in the application.

Replace windows £6,000

Replace curtains £2,500

Replace Fire Doors £1,500

Thank You Rose
